

WATKINS-MONTOUR ROTARY CLUB 2010 Guidelines for Community Grant Request

The Watkins-Montour Rotary Club annually accepts requests for community grants, which are funded by a variety of efforts undertaken by the Club during the year. The grants are intended to help organizations in Schuyler County promote the quality of life in our community. The financial assistance is awarded to organizations that have specifically identified projects or needs. Grants generally will range from \$100 to \$1,000.

- ~ Requests must be submitted in writing by **March 15, 2010**. Requests must be submitted on the organization's letterhead and limited to two pages. The following information must be included:

 - ~ A description of efforts that have been made or will be made to obtain funds from other sources for the specific project or need.
 - ~ The legal name of the organization, a description of its mission, the names of the organization's officers and the name, mailing address, phone number and e-mail address of the contact person.
